

# THE RIFLE CAM™ M O U N T & SHOTGUN BARREL MOUNT

Our patent pending recoil system absorbs shock and recoil in both directions, backwards and forwards when mounted to high powered rifles producing quality hunting video footage that will last for generations.

THE RIFLE CAM, comes with 2 mounts in every box: THE RIFLE CAM 1 inch scope mount and THE SHOTGUN BARREL MOUNT. THE RIFLE CAM is a quick detachable mounting system that securely attaches to your rifle or shotgun in just seconds.

THE RIFLE CAM is made from forged military aluminum and stainless steel making this product virtually indestructible. Any modern mini DV video camera will attach to this mount including SONY®, JVC®, CANON®, SAMSUNG® and others.
